

CERTIFICATE

The Art Association "Dzyga" (Lviv, Ukraine) certifies that Mr. Jeffrey Wengrofsky is invited to participate in the project "Radio Iniciatyva" (I-Radio), as International journalist and author of the programs.

"Radio Iniciatyva" — was one of the first in Ukraine cultural - alternative FM station, established by Art Association "Dzyga" at 2000. Its members were independent artists and students from different countries.

A current project — is a revival of the cult Ukrainian underground radio station in internet format. Our purpose, is to create contemporary artistic, educational and information environment, which combines various authorial projects from different countries, which in turn will further interchange of cultural information and it's spreading.

Soon in the project will take part artists from Ukraine, Italy, Serbia, USA and Poland.

The participation of Mr. Jeffrey Wengrofsky in the project "I-Radio " will be very important and interesting because of his artistic and educational career.

Work on the project is scheduled to begin on 10.08.2014.

Thank you for your assistance in this matter.

Best Regards,

Director AA "Dzyga"
